Lay Speaker: _____ Date: _____

Church _____

Sermon title: _____

Main scripture(s) used: _____

The main point of the sermon was:

Did you get clear directions to the church, instructions on when to arrive, any other necessary information enough ahead of time? If not, please explain what additional information would have helped you:

Approximately how many people were in the congregation, and mainly of what ages?

Overall, how did the congregation seem to respond to your sermon?

Were you asked/expected to conduct other elements of the service, besides the sermon? If so, what? Did you feel well enough prepared to do these other things?

One thing you felt went really well was

One thing you'd like to do differently/more/less next time you preach is

How else could we at the district lay speaking office help you as a lay speaker?

Overall, what will you most remember about this sermon and its delivery?
